**Subject:** CAG/EPA Meeting attendance tonight

Ex. 6 Personal Privacy (PP)

Dear Mr. Urdiales,

We are very sorry to hear that you will not be able to attend tonight's joint meeting of the VB/I-70 CAG and the USEPA Region 8.

There is no need for you to wait for another 3 months to attend a regularly scheduled CAG meeting. We will be meeting on the third Tuesday of each month: October 13, November 19, December 17, etc.

We will meet at Focus Points at 2501 East 48th Ave., 80216, 5:30 - 7:30PM.

We have repeatedly invited the EPA, CDPHE and Denver to attend every CAG monthly meetings only to be told that "there is nothing to talk about."

The CAG members and our experts have many important, unanswered questions pertaining to the Site and would welcome their monthly attendance so that we may fully participate in the advisory process described in the EPA Guidelines. A couple of hours a month does not seem to be too much to ask for your own CAG.

Although this CAG follows the Guidelines laid out by EPA for CAGs, we have noticed that this CAG is treated very differently from many other CAGs from services and assistance offered to the CAG by EPA, timely access to requested documents and data to meeting attendance. We would appreciate an opportunity to discuss these concerns with you.

Again, the CAG looks forward to giving you a warm welcome when you decide to join us.

Bridget Walsh  
CAG Member  
Acting CAG Administrator
